Enclosure No.

Sir,

I have the honor to state that during inspection of the Hosanagar Municipal office on 12-4-32, I found that the Municipal Councillors have not been evincing any interest in the Municipal affiars and that the income of the Municipality is falling down from year to year, with the result that the council cannot meet their liabilities Against an estimated demand of Rs 1600/- under Mohatarfa and Octroi they had collected only Rs 662 x till the end of March 32 They had a sum of Rs 3000/- in fixed deposit, which they had to withdraw to meet the Government contributions and after meeting all charges they had a sum of Rs 146/ at their credi on the date of my inspection.

From the copy of the budget for the year 32-33 sent to me it is seen

that their receipts from all sources are estimated to come to Rs 2055/- and their expenditure to 4200/-. The Municipality will therefore ~~leave~~ have a ~~minimum~~ balance at the end of 32-33. Even if the budgetted expenditure is not fully incurred, it is found that very little will be left at the end of the next official year. The only alternatives left therefore are to abolish this Municipality or to waive the contributions to be paid by them to Government, if the Municipality is to be continued. Though I am reluctant to recommend the abolition of this Municipality as in that event, the Dispensary and other Government institutions for which grants are paid by the Municipality will cease, yet in its present financial condition, I do not think it can carry on its functions properly, if Government do not come to its rescue by waiving the contributions due. The Amildar President has however been asked to see that it is brought to a proper working order but as the people themselves do not evince any interest in their own matters, much head-way cannot be made.

I therefore request sanction of Government to abolish this Municipality from 1st July 33, if its working is found unsatisfactory during the next year.

I have the honor to be,
Sir,
Your most obedient servant,

M. S. Hallen
